Home Tips

WHEN STYLING A CONSOLE OR SHELF:

- Display some artsy accents – Local shops and farmers markets are great places to pick up some unique items.
- A collection of like items is a great way to fill space. Vases in varying shapes and sizes add visual interest. Pop in a pretty plant.
- Add a basket on top for keys and sunglasses, or to display photos and cards, or underneath for blankets and extra storage.

MISCELLANEOUS HOME TIPS:

- When hanging a picture – Place it so that the center of the picture is 57 to 62 inches above the floor.
- To Keep the tops of kitchen cabinets clean, line with wax paper. Replace every few months.
- Clean your baseboards with a dryer sheet to repel dust.
- Clean the garbage disposal by grinding ice cubes, then flushing with hot water and baking soda.
- Use a Swiffer to dust walls and ceilings.

Home Tips

FALL - TIME TO WINTERIZE!

- Get your furnace serviced
 - Seal gaps & cracks in windows & doors with Caulk or weather stripping
 - Check hose bibs and dryer vents
 - Clean out gutters
 - Check smoke detectors & change batteries
 - Drain & winterize exterior plumbing
 - Install outside faucet covers
-

SPRING CLEANING

- Wash Windows
 - Clean Gutters
 - Inspect Roof
 - Re-seal and paint decks & fence
 - Mulch garden beds & fertilize lawn
 - Clean lawn furniture
 - Clean and Prep Grill
-

DYI GLASS CLEANER

- What you'll need:
- 2 cups water
- 1/2 cup white vinegar
- 1/4 cup rubbing alcohol 70% concentration
- 1 to 2 drops of orange essential oil

Combine ingredients in a spray bottle. Spray on windows and mirrors and wipe with a soft cloth to leave them sparkling. The orange essential oil gives it a pleasant natural citrus scent and the rubbing alcohol helps it evaporate quickly to minimize spots and streaks.
